WARRANT

To the inhabitants of the Town of Temple in the County of Hillsborough in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Temple, on Tuesday, the Thirteenth Day of March next, at ten o'clock in the morning, to act on the following subjects.

Article 1: To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing year.

Article 2: To see if the Town of Temple, N.H. shall vote to adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the Town of Temple, N.H. on the second Tuesday of March. (Submitted by Petition)

Article 3: To cast your ballots for the proposed amendments to the Temple Zoning Ordinance.

THE POLLS SHALL OPEN AT TEN O'CLOCK IN THE MORNING, AND SHALL CLOSE NOT EARLIER THAN SEVEN O'CLOCK IN THE EVENING.

You are further notified to meet at the Temple Elementary School in said Temple, on Saturday, the Seventeenth Day of March next, at ten o'clock in the morning, to act on the following:

Article 4: To see if the Town will vote to raise and appropriate the sum \$1,207,665.00 for town charges as the operating budget and other necessary maintenance and operating expenditures.

Article 5: To hear the reports of agents, auditors, and committees or officers heretofore chosen.

Article 6: To see if the town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) to support the Red Cross. This expenditure would become part of the budget in subsequent years. (Selectmen recommend)

Article 7: To see if the town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) to support Court Appointed Special Advocates (CASA). This expenditure would become part of the budget in subsequent years. (Selectmen recommend)

Article 8: To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand dollars (\$15,000.00), which is 38% of the total cost, to purchase a new police cruiser. This purchase is dependent on passage of a similar article by the Town of Greenville for the remaining cost of the cruiser (62%). (Selectmen recommend)

Article 9: To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000.00) to purchase a farm tractor and accessories, for the Highway Department to replace the one lost in a fire. (Selectmen recommend)

Article 10: To see if the Town will authorize the Selectmen to renew a contract with the Town of Wilton for use of the Recycling Center on such terms and conditions as they deem in the best interest of the Town of Temple. (Majority ballot vote required)

Article 11: To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to create a 2008 Celebration Capital Reserve Fund, for the purpose of the Town's Birthday Celebration in 2008, and further to appoint the Selectmen as agents for this fund. (Selectmen recommend 2 to 1)

Article 12: To see if the Town will vote to raise and appropriate the sum of Sixty Thousand dollars (\$60,000.00), to create a Bridge Capital Reserve Fund, for the purpose of Engineering/Construction costs for rebuilding town bridges, and further to appoint the Selectmen as agents for this fund. (Selectmen recommend)

Article 13: To see if the Town will vote to raise and appropriate the sum of Two Hundred Twenty Two Thousand Seven Hundred Fifty dollars (\$222,750.00), for the purpose of renovation/restoration/addition of the Temple Town Hall. This expenditure is contingent upon release of funds from a Federal HUD Grant number B-06-SP-NH-0638. (Selectmen recommend)

Article 14: To see if the Town will vote to raise and appropriate the sum of Twenty Thousand dollars (\$20,000.00) to be put into the Town Hall Capital Reserve Fund. (Selectmen recommend 2 to 1)

Article 15: To see if the Town will vote to raise and appropriate the sum of One Thousand Six Hundred Dollars (\$1,600.00) for the purchase of

personal protective gear for the Wilton Ambulance personnel. This represents Temple's share (20%) of the total cost. This purchase is dependent on passage of a similar article by the Towns of Wilton (55%) and Lyndeborough (25%) for the remaining cost. (Selectmen recommend)

Article 16: To see if the Town will go on record in support of effective actions by the President and the Congress to address the issue of climate change which is increasingly harmful to the environment and economy of New Hampshire and to the future well being of the people of Temple. These actions include:

- Establishment of a national program requiring reductions of U.S. greenhouse gas emissions while protecting the U.S. economy.
- Creation of a major national research initiative to foster rapid development of sustainable energy technologies thereby stimulating new jobs and investment.

In addition, the town of Temple encourages New Hampshire citizens to work for emission reductions within their communities, and we ask our Selectmen to consider the appointment of a voluntary energy committee to recommend local steps to save energy and reduce emissions.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation, to the President of the United States, and to declared candidates for those offices. (Submitted by Petition).

Article 17: To see if the Town will adopt an exemption from taxation for Woodheating Energy System Improvements as defined in RSA 72:69 and allowed by RSA 72:70. Exemptions are allowed for "a wood burning appliance designed to operate as a central heating system to heat the interior of a building" but not fireplaces or wood stoves. This request is in accordance with the provisions of RSA 72:33, 34 and 34-a, for the full value of the improvements to be exempted from taxation. The State of New Hampshire has given towns the option of this incentive to utilize renewable energy systems which can reduce our dependence on fossil fuels and lessen our contribution to global warming. (Submitted by Petition).

Article 18: To see if the Town will adopt an exemption from taxation for Solar Powered Energy System Improvements as defined in RSA 72:61 and allowed by RSA 72:62, including solar heating, cooling, hot water and solar electric systems. This request is in accordance with the provisions of RSA 72:33, 34 and 34-a, for the full value of the improvements to be exempted from taxation. The State of New

Hampshire has given towns the option of this incentive to utilize renewable energy systems, which can reduce our dependence on fossil fuels and lessen our contribution to global warming. (Submitted by Petition).

Article 19: To see if the Town will adopt an exemption from taxation for Wind Powered Energy System Improvements as defined in RSA 72:65 and allowed by RSA 72:66. These limit the exemption to “wind-powered devices which supplement or replace electrical power supplied to households or businesses at the immediate site”. This request is in accordance with the provisions of RSA 72:33, 34 and 34-a, for the full value of the improvements to be exempted from taxation. The State of New Hampshire has given towns the option of this incentive to utilize renewable energy systems, which can reduce our dependence on fossil fuels and lessen our contribution to global warming. (Submitted by Petition).

Article 20: To see if the Town will vote to endorse the creation by the Congress of a United States Department of Peace and by this vote instruct our elected Congressional representatives to vote in favor of establishing the department as introduced in bill #808 before the House of Representatives. Within the United States, the Department of Peace will develop policies and allocate resources designed to reduce the levels of domestic and gang violence, child abuse, and other forms of societal discord. Internationally, the Department will advise the President and Congress on practical ways to prevent and mediate domestic and international violence, and would offer skills such as conflict resolution for working with adversarial factions. In addition, it would actively support the military by providing background information and practical skills and training in support of civilian peacekeepers. The bill to create the Department of Peace has widespread Congressional support, with 50 co-sponsors in the House of Representatives.

Given under our hands and seal this 22th day of February in the year of our Lord, Two Thousand and Seven,

Charlene Eddy, Chairman
Sherry Fiske, Selectman
John Kieley, Selectman

A True Copy of This Warrant - Attest:

Charlene Eddy, Chairman
Sherry Fiske, Selectman
John Kieley, Selectman

BUDGET ADVISORY COMMITTEE

2006 BAC Members: Mike Darnell, Brian Kullgren, Grinnell More, John Pierce, Shawn Smith, Ben Tirey

2007 Budget Increase Causes:

Increase in demand for town services, Govt. mandates, outside contracts, increasing material/labor costs, & increased legal expenses.

Cost Reduction Studies:

Considered implementation of Purchase Order system over current Voucher system. Benefits: timelier information, better control of cost documentation. Further study required of costs to operate PO System.

After analysis of Town phone bills, one Dept's plan was changed resulting in a 30-40% reduction per month (\$500 yearly).

Study results for switching some town phone lines to a "Voip / Cable" digital phone service indicated potential substantial savings & would provide hi-speed Internet access to town offices. Not recommended for 2007 due to reliability issues with Adelphia & power outages. Current provider ComCast plans to provide digital phone service, with battery backup power for power outage issues, in NH in 2007. The Digital service option may be revisited if reliability improves significantly.

The BAC recommends a Capital Reserve Fund be set up for Town building maintenance allowing funding to accumulate over several years vs current method of paying via Warrant Items (this method of funding was recommended by the 2004 BAC members).

Recommendation was made for town buildings to be inspected on regular basis by a professional Building Inspector. Cost associated with this type of program offset by savings in actual repair cost (major repair issues would be identified in the early stages). These inspections would also aid in the scheduling of major maintenance expenses.

The BAC extends special thanks to Select Board members for providing support and aiding the BAC in accessing town data. Additionally thanks to B. Tirey for unpaid work as minute taker, reducing BAC expenses.

All Temple citizens are encouraged to participate in the yearly budget hearing process in order to minimize the need for Warrant Items at Town Meeting & keep community expenses under control.

Respectfully submitted,

Michael T. Darnell, Chairman, Budget Advisory Committee

SELECTMEN'S REPORT 2006

In addition to maintaining the daily affairs of the Town, the Select Board worked in a number of areas to improve services and manage taxes for Temple residents.

The Board was presented with two new and unique ideas this year. The first was a permit for a "no-shelter dog rescue" and the second was a building permit for an alternative energy source, a wind turbine. Both of these permits were approved, and the Board wishes both parties well with their efforts.

Some of the highlights for 2006 include:

Finances: We have joined with several area Towns in contracting for items that can be purchased in bulk. Contracts are now in place for fuel oil, propane and diesel fuel and bids are underway for the purchase of Highway Department supplies.

ConVal: Gail Cromwell continues to effectively represent Temple on the School Board working to improve the safety and learning experiences of our students, while carefully watching expenses.

Ambulance: In the past Temple has received ambulance service from the Wilton-Lyndeborough-Temple Ambulance. During 2006, Selectmen from the three towns and the Ambulance Board of Directors evaluated a change in the structure of that service to provide better financial management and lower insurance costs. Effective January 1, 2007, Temple and Lyndeborough have contracted with the Town of Wilton to deliver services. All three Towns will continue to enjoy the same quality of service that has been provided in the past. After a 1-year trial run, a long-term contract with Wilton will be evaluated.

Town Hall: The shell of the addition to the Town Hall was completed, the roof of the old portion was replaced and the tower restored. The building has also been determined eligible for both the State and Federal historical registry.

Emergency Management: Working with Southwest Regional Planning Commission, the Selectmen have applied for State and Federal funding to develop emergency management and hazardous material response plans as required by FEMA.

There were 37 building permits issued in 2006. These include 9 single-family homes, 1 mobile home and 27 others, which include additions, decks, barns, pools, etc.

In conclusion, we would like to thank all the citizens, volunteers, employees, and board members who helped make Temple a nice place to live.

Respectfully submitted,
Charlene Eddy, Sherry Fiske, John Kieley

CAPITAL IMPROVEMENTS PROGRAM COMMITTEE REPORT

The New Hampshire legislature established RSA §674:5-8 to encourage towns to develop Capital Improvement Plans in order to anticipate and plan financially for major expenses. Temple's first Capital Improvement Plan (CIP) was developed in 2004 with assistance from all of the Town's departments. The resulting plan was intended to be a living document that would be updated each year to reflect the Town's changing needs. That plan was updated in 2005 by the CIP, again incorporating input from the Town's departments, and providing recommendations to the Select Board for consideration at the annual town meeting.

The CIP met again in 2006 with the heads of each Town department to discuss each item in the plan and to ascertain any new requirements on the horizon. The committee recommends the following projects be considered for funding in 2007:

Power's Road Bridge (\$60,014) – This bridge is the next structure in the Highway Department's list of priorities for renovation. While State of NH funding is not anticipated until at least 2010, towns must financially demonstrate a commitment to complete the work prior to any projects being considered. The recommended amount constitutes 20 percent of the overall project's estimated cost. The State has historically provided 80 percent.

Skladany Land Purchase (\$56,916) – The Town voted to purchase this land at the annual meeting last March. The recommended amount constitutes the annual amount due.

Farm Tractor with Mower (\$25,309) – The Highway Department's tractor was destroyed in a fire this past year. The recommended amount constitutes that department's estimate to purchase a good, used replacement tractor.

Police Cruiser (\$15,602) – The combined Temple/Greenville Police Department strongly recommends replacement of a police cruiser every three years. The recommended amount constitutes Temple's share (38%) of the estimated cost for a new cruiser.

Baseball Field Concession Stand (\$5,624) – The Recreation Commission has requested funds to build a combination concession and storage shed for one of the Town's baseball field. The recommended amount constitutes the estimated cost to build said structure.

The above projects along with all projects anticipated in the next ten years are summarized in the spreadsheet on the facing page. Copies of the detailed report are available in the Selectmen's office.

Respectfully submitted Capital Improvement Committee
*Shawn Smith (Chairman), Sherry Fiske, Allan Pickman,
Paul Martin, Dave Martz, Douglas Heck*

SCHEDULE OF TOWN PROPERTY

Description	Value
Town Land & Buildings

INDEPENDENT AUDITORS' REPORT

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Temple, New Hampshire, as of and for the year ended December 31, 2005 which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Temple's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Temple, as of December 31, 2005, and the respective changes in financial position and cash flows, where applicable, thereof and the respective budgetary comparison for the General Fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The Town has not presented a Management's Discussion and Analysis that *Governmental Accounting Standards Board* has determined is necessary to supplement, although not required to be part of, the basic financial statements.

Respectfully submitted,
Melanson, Heath & Company, Certified Public Accountants

CONSERVATION COMMISSION

It has been another busy year for the Conservation Commission. There have been some changes of membership. We thank Linda Homer and Ben Tirey for their years of service and we welcome Sean Radcliffe who has joined as our newest member. We are currently recruiting two alternate members to join.

The Conservation Commission continues to identify priorities for conservation throughout Temple. The Natural Resource Inventory (NRI) has been completed and amended to the Town's Master Plan. The Commission will be following up on several aspects of the NRI including questions which it raised regarding wetlands and water resources. We met with a Water Resource Specialist to gather information on ways to protect clean water in Temple. In the coming months we will continue to gather information on this topic in order to develop an action plan. We will focus on conservation planning and identifying the most important areas for protection.

The Dredge and Fill Committee of the the Con Com reviews permit applications to New Hampshire Department of Environmental Services for projects that impact streams and wetlands. There have been several dredge and fill permit requests for stream and wetland crossings and pond building projects. Members have made numerous site visits for review and monitoring. Also, the Con Com have been active in commenting on a proposed 34 house subdivision off Old Revolutionary Road and attended a DES site visit to the property in December.

The Commission continues its efforts to inform the community about conservation and Con Com activities through its annual newsletter, harvest festival booth, and numerous hikes. Dozens of people took part in the monthly hikes which are designed to raise awareness of recreation possibilities in our local area. This year, the Con Com held a nature photography contest at Harvest Festival with several participants. Congratulations to Cathy Burgoyne on the winning photograph and to runners up Allison Randall and Ray Lee.

Commission members maintain town owned conservation properties and monitor conservation easements on certain privately owned properties. They have spent many hours on trail maintenance, roadside cleanup, brush cutting, easement monitoring, and boundary marking.

Several possible land conservation projects are anticipated in the new year. A public hearing has been scheduled to review the property of Mary Jane Wolbers on Hill Road for a possible conservation easement. In addition, the Conservation Commission has been invited to participate on a steering committee for the effort to protect and create the new Temple Mountain State Forest. The Commission would like to recognize and thank Anne Sargent for the wildlife conservation easement she donated this year to the Humane Society of the United States.

Respectfully submitted,
Roger Hatt, Chairman, Conservation Commission

Walter E. Birdsall
Temple Town Treasurer

TEMPLE RECREATION REPORT 2006

Temple Recreation managed to complete bleachers and benches at both ball fields. Maintenance is always an expense and problem. We also managed to get electrical service at the Route 45 ball field.

We had our usual Easter, 4th of July, Halloween and Christmas parties. All fairly successful. We had a nice Senior Citizens Thanksgiving with the help of the Temple Elementary School.

We have asked for an increase in our budget for 2007. The majority of the increase would be for maintenance at the Route 45 ball field. This increase may be moved to the government buildings-ball field maintenance line item at the discretion of the Selectmen.

Respectfully submitted,
Joe Cournoyer, Chairman Recreation Commission

WILTON/LYNDEBOROUGH/TEMPLE AMBULANCE SERVICE

Wilton-Lyndeborough-Temple Ambulance Service completed our 32nd year of caring for the emergency medical needs of our communities. We don't do it alone. We would like to thank the Wilton Police Department, Greenville-Temple Police Department, Wilton Fire Department, Lyndeborough Fire, Rescue Department and Temple Fire, Rescue Department for making our job easier and safer! We would also like to thank the Highway Departments in our three towns for plowing and sanding when necessary so that we may access our patients.

This year our call volume was down for a total of 473 requests for medical aid. We had an increase in requests for Advanced Life Support responses. Our Paramedics called for an ALS helicopter five times during 2006. We are happy to report that all of these patients were taken to Level 1 Trauma Centers where they could receive the best possible care and treatment for their injuries.

Mother Nature also dealt us several severe storms, floods and power outages. Our members worked with our Fire Departments to check on our residents during these times, and they are to be commended for their willingness to go "above and beyond" for our communities. Thank you!

Call breakdown:

Wilton – 239

Lyndeborough – 116

Temple – 76

Mutual Aid -- Milford – 30 (includes transports from MMC)

Greenville – 9

New Ipswich – 3

Total – 473

ANIMAL CONTROL OFFICERS REPORT

Below is a list of some of the calls Mike and I were called to handle.

Dog owners please take note, all dogs over the age of 4 months old must be licensed by April 30 each year under RSA 466:1. The dog tag should be placed around the dogs neck. Not only will this help us return your pet if it gets lost, it's also the law.

I would also like to remind all dog owners to please keep their dogs on a leash or a lead when not on your property. This will promote respect and show consideration for your neighbors as well as keeping your pet safe.

Stray Dogs	21
Dog Complaints	17
Dogs Taken to Shelter or Adopted	2
Animals Killed by Auto	8
Loose Horse Complaints	6
Other Loose Barnyard Animals	9
Farm Inspections	1
Wild Animal Complaints	5
Rabies Incidents	2

For Animal Control Response Please Dial -- **878-3474 or 878-2324**

Peter A. Clegg, Animal Control Officer

MILFORD AREA MEDIATION

Milford Area Mediation Program, a service of the Town of Milford, has been providing conflict resolution services within western Hillsborough County since 1995. Family Mediation is a free service to residents living in contributing towns. Topics typically addressed at family mediation include: difficult/challenging communication, family arguments & disagreements, and high-risk activities. Mediation empowers families to develop effective communication skills, while discovering peaceful resolution to disputes and providing individuals the opportunity to understand consequences for certain activities/behaviors. Milford Area Mediation Program also provides free comprehensive referral services for families.

The Mediation Program has steadily increased the number of clients over the past several years. From January 1, 2006 through December 15, 2006, Milford Area Mediation Program provided mediation services to 113 families (an increase of approximately 65% from 2005).

Community Need:

The Mediation Program serves to reduce conflict within families and prevent behavioral risk factors that lead to juvenile court involvement. In 2003, there were 1,817 delinquency and 362 status offense petitions filed in Hillsborough County (N.H. Supreme Court, Administration Office, 2005) out of an approximate juvenile population of 94,500 (Office of Juvenile Justice and Delinquency Prevention, 2003). With limited availability for resources, families often utilize law enforcement as a means to resolve issues. The Mediation Program better assists families during phases of difficulty by offering a process that guides families through the communication of their values and expectations, as well as responsibility and consequences.

Status offenses and minor delinquency are concerns addressed in parent-child mediation. Typical status offenses and minor delinquency involving New Hampshire adolescents include: binge alcohol consumption (11%), recreational drug usage (14%), and high school dropout/no GED (8%).* Milford Area Mediation Program grants participating communities quality services at a reduced cost; free mediation and referral services for towns in western Hillsborough County are only available through Milford Area Mediation Program.

Highlights:

In 2006, Milford Area Mediation Program re-initiated additional community mediation services: Marital Mediation and Community Mediation Training. Marital Mediation is an alternative service to litigation (court involvement) regarding divorce and other legal issues affecting the dissolution of a relationship. This Mediation service is offered at minimal cost to participants (based on financial capability). *This service produced revenues of approximately 7.5% for 2006.* Community Mediation Training includes training

area citizens as volunteer family mediators, and peer mediation training at schools. During 2006, the Mediation Program provided internship opportunities to 2 college students (N.H. Community Technical College and Woodbury College in Vermont).

The Mediation Program operates with one part-time staff. Milford Area Mediation Program is able to function productively due to the generous commitment of community volunteers. During 2006, the Mediation Program marketed and advertised training for volunteer family mediators (the first training offered since 1999). The training began in April 2006 and ended in May 2006 with Judge Martha Crocker (Milford District Court) presiding over the Oath of Confidentiality ceremony. *Six new volunteer mediators were added to Milford Area Mediation Program; there are now over 20 community members who volunteer at the Mediation Program.* In order to meet the increasing need for services within a large geographical area (14 towns), Milford Area Mediation Program continued to seek out the assistance of community volunteers, and preparations have been made for another volunteer family mediation training (2007).

Milford Area Mediation Program engaged in an aggressive marketing campaign during 2006. Community outreach included displaying posters and brochures at schools, town offices, and libraries, as well as supplying law enforcement with informational cards to provide families. *As a direct result of this marketing campaign, self-referrals to the Mediation Program increased by over 500% (21 self-referrals in 2006 compared to 3 self-referrals in 2005).* Milford Area Mediation Program's website was completely refurbished during 2006, and now includes specific information about services and downloads for documents.

Milford Area Mediation Program has had a busy and productive year. The goal continues to be to serving more residents through mediation and referrals to secondary agencies. To learn more about Mediation or volunteer family mediators, contact Milford Area Mediation Program:

Phone 672-2711

Email: mdelaney@milford.nh.gov

Website: www.milford.info/mediation/Mediation.htm.

Respectfully submitted,
May Delaney
Program Coordinator
Milford Area Mediation Program

* Statistics are specific to New Hampshire and derive from the Kids Count Databook, Office of Juvenile Justice and Delinquency Prevention, 2006.

MONADNOCK FAMILY SERVICES

As you know, Monadnock Family Services is active in your community, providing quality mental health services to anyone who needs them regardless of their ability to pay.

Once again, MFS is asking for your financial support to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your town. Based on figures from the 2002 population estimates from the NH Office of State Planning, we are asking for the equivalent of \$1.25 per capita, which for your town amounts to \$1,753.75.

We ask for your continued consideration and support of our request. The cost to MFS to serve the uninsured has increased steadily with rising treatment costs and more people seeking subsidized services. The cost of serving the uninsured and underinsured residents of the Monadnock Region has averaged a half a million dollars annually for the past four years. United Way funds and town subsidies cover about a third of this significant expense. Our services to uninsured adults are further jeopardized as state regulations prohibit us from supplementing non-funded or under-funded services with state funds.

Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents of Temple will continue. We work very hard to keep our costs down, and to identify, whenever possible, alternate sources of funding for this population.

If you have questions, or require more information, a representative from the agency will be happy to speak with you.

Again, your support is very important to us. By working together, we help to insure our communities remain healthy and vital places to live, work and grow.

Thank you for your consideration.

Ken Jue, Chief Executive Officer

HOME HEALTH CARE, HOSPICE AND COMMUNITY SERVICES, INC.

Report to Town of Temple 2006

In 2006, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Temple. The following information represents HCS's activities in your community during the past twelve months.

Service Report

<i>Services Offered</i>	<i>Services Provided</i>
Nursing	573 Visits
Physical Therapy	55 Visits
Medical Social Work	2 Visits
Home Health Aide	111 Visits
Home & Community Based Services*	4 Hours
Adult In Home Care	2 Hours
Outreach	26 Visits

Total Unduplicated Residents Served: 33

*Home and Community Based Care is a Medicaid program which offers extended home care services to individuals who are in need of nursing home level care but can be maintained at home for a lower cost.

Prenatal and well child care, hospices services and regularly scheduled "Nurse Is In" clinics are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 2006 with all funding sources is \$105,633.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your Town.

For 2007, we recommend an appropriation of \$1,750.00 to continue to be available for home care services.

Thank you for your consideration.

PROJECT LIFT ADULT EDUCATION PROGRAM

Project LIFT serves 10 surrounding towns, providing free educational instruction for GED preparation, English as a Second Language and Adult Basic Education.

Over the last six years, LIFT has provided tutoring for over 11 students from Temple. It is estimated that it costs approximately \$297.68 per student in order for LIFT to provide free educational services in each community.

We received a donation of \$250.00 from Temple last year. Continued support to our program is greatly appreciated. Students meet at the Peterborough Library for one on one instruction with volunteer tutors from the community. The only other option for instruction would be for students to travel to Keene or Nashua to another adult education program.

Respectfully submitted,
Judy Fournier, M.S., Director
Project LIFT, Adult Education

HISTORIC DISTRICT COMMISSION

The Historic District Commission was active this year in preparing a guidebook to ensure that the objectives of the Historic District Commission are faithfully being met. The guidebook will be made available for reference and comment at the Town Library and on the Historic District Commission's page of the Town's website (www.templenh.info/HDC).

The Historic District Commission was approved at Town Meeting in 1982 for the purpose of preserving the heritage of the town, specifically around the village center. In the Ordinance, certain properties around the village center were designated by the then current owners with the concurrence of other town residents as being especially deserving of continued maintenance in an historically sensitive manner, both for the benefit of those residing in the historic district and the town overall.

The role of the Historic District Commission has been to review proposed changes within the historic district including any construction, alteration, repair, or demolition of structures or sites. Those changes that are harmonious with the character of the historic district are approved while alternate solutions are sought for those that would otherwise be discordant. Since these types of decisions are best arrived at through open public discourse, the Historic District Commission sincerely welcomes and encourages participation at our regular monthly meetings.

I would like to especially thank the residents of the historic district along with my fellow members of the Historic District Commission for their continued efforts in making our historic district a success.

Respectfully submitted,
Randy Burnham, Chairman, Historic District Commission

TOWN FORESTER'S REPORT

For the tax year April 1, 2005 through March 31, 2006, the Town received 6 Reports of Wood or Timber Cut. Yield taxes assessed for these harvesting operations totaled \$12,021.44. As of December 26, 2006, 2 Intents to Cut have been filed with the Town for the current tax year. Over the past year the number of timber harvests in town has dropped. Timber harvests seem to be cyclical in nature in a given area and Temple seems to be on the down side of the curve this year. That combined with record breaking precipitation and softening market activity has slowed in our area.

The State RSA specifies that any person owning land upon which wood or timber is cut, either for sale or for services rendered, must first file an Intent to Cut form with the Town Selectmen or assessing officials. The exception to this is a person cutting up to 10,000 board feet of logs or up to 20 cords of fuel wood for either their own use or for a land conversion. Under these exceptions an individual does not have to file an Intent to Cut form. The yield tax year runs from April 1st to March 31st.

The RSA also states that within 60 days of completion of the operation or by April 15th, a Report of Wood or Timber Cut must be filed with the Town specifying the exact volume cut by species. The Town will levy a 10 percent yield tax based on the stumpage value of the material cut. If the job is not completed by March 31st or did not take place, a Report of Cut must still be filed by April 15th. At that time, a new Intent to Cut should be filed to renew the permit. If the job is not completed by March 31st but will be completed by June 30th, a 90-day extension may be granted without having to renew the permit. To do this the Selectmen must be notified in writing by the Owner, prior to April 15th. Finally, during a harvesting operation, if the volumes to be harvested are going to exceed the estimated volumes on the original Intent to Cut, a supplemental Intent should be filed immediately showing the additional estimated volumes.

Landowners considering a timber harvest should be aware that there are State harvesting regulations that must be followed. If you have any questions regarding this or the permitting process, you can contact me through the Selectmen's Office.

Respectfully submitted,
Allan Oxman, Licensed Forester #67

PLANNING BOARD REPORT 2006

In the year 2006, the Planning Board reviewed and approved four minor subdivisions and two lot line adjustments plans. They also approved a 35-lot Planned Residential Development (PRD) in the Mountain District. This involved a lengthy hearing process that included a site visit and active participation by abutters and residents. In March the voters supported a warrant article to exclude PRD's from being built in the Mountain District.

During June the board voted to accept the Natural Resources Inventory as part of the Master Plan. This "living document" was developed through the work of the Conservation Commission and will continue to be updated. The board also discussed whether regulation of wind turbines should be considered after learning of the first request to build such a structure in town.

In September board member Rae Barnhisel offered her resignation, and Tedd Petro was appointed to fill the position until the March 2007 election.

The board met in November with a member from Southwest Region Planning Commission to gather information that would help them design a revised PRD ordinance for the Mountain District. Several meetings and two public hearings were held to discuss a newly drafted ordinance. It was finally decided that more work needed to be done and the ordinance was tabled. The board will continue to work on the proposal during the coming year.

Late in the year a petition warrant article was presented that would mandate site plan review for large size buildings, including those intended for agricultural use. Board members and the public will actively continue this discussion, which will be decided by voters in March of 2007.

One again, my thanks and appreciation goes to my fellow Planning Board members for their hard work and support during the past year. A special thank you to Rae Barnhisel for her years on the Planning Board.

Respectfully submitted,
Bruce H. Kullgren, Sr., Chairman

ZONING BOARD OF ADJUSTMENT 2006

The Temple Zoning Board of Adjustment had a busy year in 2006. We held eight hearings covering four appeals:

D. Rae Barnhisel's appeal of administrative decision regarding the Town Hall building permit,
Luke Peterson's application for a special exception to construct a new garage,
Douglas R. Guy, Jr.'s appeal of administrative decision regarding his application for dealer plates and,
Douglas R. Guy, Jr.'s appeal of administrative decision regarding his junkyard operation.

In addition the Board had one site visit to Mr. Peterson's property, and three other meetings.

The Board revised its Rules of Procedure and added an extensive section on conflicts of interest.

Tim Winship served as an alternate from January to April of 2006. His service was invaluable and much appreciated.

In July three new ZBA alternates were appointed by the Board of Selectmen: Jenny Houston, Dave Martz and Steve Anderson.

Respectfully submitted,
John Pierce, Chairperson

Peter Caswell, Nate Chamberlin, Honey Hastings, Don Kraemer, Members
Jenny Houston, Dave Martz, Steve Anderson, Alternates

MANSFIELD PUBLIC LIBRARY

Library Circulation for 2006

Adult non-fiction	488
Adult fiction	1,680
Magazines	1,621
Paperbacks	537
Videos	671
Audios	16
DVD's	393
Juvenile non-fiction	603
Juvenile fiction	2,200
I.L.L.	167
Total	<hr/> 8,376

We've had a successful year and have increased our circulation by 666.

The library purchased 481 new books and accepted the gift of 110 others. We removed 142 titles from our collection consisting of obsolete, worn or unreturned items.

Fireside tales were held during January and February. Twilight tales were held during July. A new program was initiated this year, called the new book café. This was held the first Saturday of the months April, May, June, October, November and December.

The summer reading program ran from June 21 to August 2 ending with a party. At this time awards of Toadstool Bookshop certificates for \$5 purchases were presented. The story and craft summer program was especially successful and double sessions are being planned for next year.

After school story time was offered this fall. We ended the year with two evenings of reading "A Christmas Carol" by Charles Dickens aloud.

We had an excellent pie table at Harvest Festival and raised a good amount for special programs and projects. We also sell used books at the library on a continuing basis.

We wish to thank all who help with money, time, pies and gifts. Our thanks also go to our volunteers, Sasha and Cody.

We offer wireless internet connection, fax and a copier. A book drop (books only) is located outside. Interlibrary loan is available for books we do not have.

Snow policy: the library will generally be closed when the schools close for inclement weather. If you are in doubt, please call.

NEW HOURS: Monday and Friday 10-4, Tuesday and Thursday 3-8,
Saturday 10:30-1:30.

Our phone number is 878-3100, our fax number is 878-0654 and our e-mail address is mansfieldlibrary@adelphia.net.

Respectfully submitted,
Priscilla A. Weston, Director
Kathy Fedorka, Assistant

TEMPLE FIRE/RESCUE DEPARTMENT

The Temple Volunteer Fire/Rescue Department was called upon to serve our community a total of 68 times this year. The calls that we responded to were handled quickly and professionally and thankfully, all of our members returned home safe.

Along with all of the calls we had, our members were busy with hands-on training at the station. The New Hampshire Fire Academy was able to provide us with propane props for live fire training. This training was very worthwhile as many of our residents use propane for heating and cooking. The NH Fire Academy also provided us with a portable live burn trailer that consists of a large tractor-trailer body with rooms built in to simulate a burning building. A few of our newer members also participated in Level 1 and 2 fire training at area departments.

The TVFD acquired \$6,183.00 in Wildland/Forestry grants. With this money we were able to purchase new jackets, pants, boots, helmets, gloves, lights, hose and foam. This new equipment will help us be better prepared in the event of forest fires.

The State of New Hampshire was awarded Homeland Security money and with this money they were able to provide each town in the state with new digital portable radios. With these new radios we have the capabilities to communicate with every department in the state. This was implemented for use in case of a large disaster/emergency. We have found these radios to be very useful even when communicating within our own department; the clarity makes it easier for us to know exactly what is happening. Temple was awarded 6 of these radios at a cost of over \$2,000.00 each. This is a great benefit to our town, and fortunately we did not have to pay for them.

The makeover of the Rescue truck has been completed. Thanks to the residents of Temple, this truck is now safer for responding to calls. We were able to have new seats installed that now have seat belts. We now have a heater to keep the firefighters and rescue personnel along with their equipment warm. We have a steel cage that will keep all of our equipment securely in back of the truck. We also have a new filling station for the SCBA bottles. This box will safely hold an air pack bottle while it is being filled. A special thank you to Wheeland's Auto for doing a great job to get this truck back in shape!!

Unfortunately, we had a few members of our department retire this year. We would like to thank Barbara Thorngren for 10 years of service and Nick Desmarais for 15 years of service. The expertise they brought to our department will be greatly missed.

As always, the TVFD and the Auxiliary always welcome people who are able to devote some time to our department. If you're looking for a way to get involved in the town, come join us.

Respectfully submitted,
Michael D. Connolly, Fire Chief

Lynda Connolly	Kathy Koster	Nancy Woods

TEMPLE FOREST FIRE WARDEN REPORT 2006

In 2006 we had four burning violations that had to be dealt with. Over 200 permits were issued in 2006, several of which were cooking permits. Burn permits are issued at no cost when conditions allow, but violations can be costly.

Permits needed may be obtained from Warden Joe Cournoyer (878-1479) or Deputy Warden/Fire Chief Mike Connolly (396-9137).

Remember, permits are necessary unless the ground is covered with snow.

Respectfully submitted,
Joe Cournoyer, Temple Forest Fire Warden

REPORT OF FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands work collaboratively to reduce the risk and frequency of wild land fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information contact the Division of Forests & Lands (603) 271-2214, or online at www.nhdfl.org.

Fire activity was very high during the first several weeks of the 2006 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in many sections of the state. The largest forest fire during this period occurred in late April and burned 98 acres. The extremely dry conditions in spring resulted in over twice the amount of acreage burned than in all of 2005. Our statewide system of fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 6 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

TEMPLE-GREENVILLE POLICE DEPARTMENT
2006

It is hard to believe that we are almost two years into The Temple-Greenville Police Department merger. Overall the combined department is working very well. The officers have put a tremendous amount of effort into patrolling, along with a positive commitment to improve both towns. This is reflected in the crime rate going down in Temple and Greenville. I am pleased that O.H.R.V. and DWI cases have declined. One of the primary goals of our department is to attack the drug and alcohol issues in both towns. We have had numerous arrests, prosecutions, and convictions for drug and alcohol related crimes.

In May of 2006 I started the renovation of a new police station on Main Street in Greenville. This new station solves many of our safety issues along with logistics problems. It allows us to properly book arrestees, keep juveniles separated, and provide security for our officers and the general public. By having the station on Main Street we are much more visible and easier to find. The renovations and improvements will be a continuing project as we do a little each year. I would like to thank the citizens of Temple and Greenville for attending our open house.

The joint Board of Selectmen and I attend a monthly meeting to insure our budget stays on track. The cooperation between the board and police department has been excellent. Thank you.

Respectfully Submitted,
James H. McTague
Chief of Police

HIGHWAY DEPARTMENT

The year of 2006 started out fairly busy with about 13 storms of either snow or rain in January. None of these storms were very large in terms of accumulation but they did keep us quite busy. The fluctuations in temperatures throughout February meant for more rain than snow and made a mess of the gravel roads.

On February 17, we had a severe windstorm that took down trees all over the State of New Hampshire. Power was off to some sections of town for 3 – 4 days. We spent a few days cleaning up trees and helping P.S.N.H.

Spring came early in 2006. March, a month that can either be winter or spring, was definitely spring this year. We were able to get the roads swept of winter sand and start grading roads.

On April 25 at 3:00 a.m., the starter shorted out on our tractor, caught on fire and burned, taking part of the old shed with it. Fortunately, the newspaper delivery man saw the fire and reported it. Thanks to a quick response by the Temple Fire Department and other area Fire Departments, the fire was put out and we only lost part of the building. The building has now been completely rebuilt.

May 13 and 14 brought us severe rain storms with 7 – 8 inches of rain. We had a few minor washouts. Parts of New Hampshire, northeast of us, had 12 – 15 inches of rain and severe flooding.

In June, we did preparations for the rebuilding of the bridge on West Road. We closed West Road on June 13th, ripped out the old bridge, set the new one in place, and opened the road back to traffic on June 30th. In July, we worked on the slopes, ditches, spread more gravel, and paved over it. The remaining work on the project dragged on into December waiting for the guardrail company, but on December 12th, it was finished.

The total cost of the bridge project was approximately \$244,048.00. This figure includes \$25,086.00 for our own labor and \$10,820.25 for our own trucks and equipment. The Town should receive about \$195,240.00 in State funds as their 80% share towards this project.

August was spent installing several new culverts. One of these was 36" diameter, 40 feet long that was installed on Fish Road. This \$7000.00 project was paid for by F.E.M.A. through their mitigation program.

We prepared and repaved sections of North Road and Webster Hwy. in September. The price of asphalt went up about 30% this year so we could not afford to seal Webster Road. This will have to be done next year.

The majority of our gravel budget was spent in October adding gravel to Fish Road, Foster Road, Hill Road, Blood Road, and Birch Hill Road.

Winter did not really arrive in November or December so we worked on grading roads. We also ran a new waterline to the Town Hall, paved the finish coat on the West Road bridge, had the guardrail installed, took down several dead trees around town, and cut brush.

Due to the fact that several weeks worth of our labor was paid for under the bridge project which will be mostly reimbursed by the State, and the fact

that we have had a mild winter, we ended up with almost \$68,000.00 left in the Highway Department budget which will go back into the General Fund and help lower taxes for the next year.

Respectfully submitted,
Timothy P. Fiske

CEMETERIES

The warrant article to spend \$10,000.00 for trying to finish off the front of the new cemetery did not pass at Town Meeting in 2006. The cemetery was left pretty much as it was and we continued to fill in towards the back.

The regular cemetery maintenance went quite well and was uneventful. Due to the amount of rain we had in 2006, the grass grew quite well right into October.

In 2005, I got an estimate to repair the stonewall at the front of East Cemetery of between \$5,000.00 and \$10,000.00. Steve Cullinan and his son Will worked together with Bruce Fox from the Highway Department and managed to straighten out the wall for under \$1,000.00, leaving us with a large surplus. Now we just need to keep people from running into the wall with their vehicles.

Respectfully submitted,
Timothy P. Fiske, Cemetery Supervisor

MINUTES TO TOWN MEETING

March 18, 2006

The Temple annual Town Meeting was called to order by Moderator Bruce Kullgren, Jr. at 10:06 a.m. at the Temple Elementary School.

An invocation was given by Reverend David Congdon.

Moderator Bruce Kullgren, Jr. read from "A History of Temple, New Hampshire 1768-1976".

Article 1: Elected March 14, 2006: Selectman for three years, John Kieley; Moderator for two years, Bruce Kullgren, Jr.; Trustee of the Trust Funds for three years, George Ruppel, Jr.; Supervisor of the Checklist for three years, Lynda Connolly; Cemetery Trustee for three years, Barbara Harling; Library Trustees for three years, Elizabeth Humphrey, Maureen Petro and Sydney Thomas; Fire Engineer for three years, Richard Beringer; Planning Board for three years, Bruce Kullgren, Sr. and William S. Wildes; Budget Advisory Committee for three years, Brian F. Kullgren and John Pierce; Budget Advisory Committee for one year, Grinnell More.

Article 2: Elected March 14, 2006: School Board Representative for three years for the Contoocook Valley School District, Gail Pierson Cromwell; School Board Moderator for three years, Thomas P. Mullins.

Article 3: Voted March 14, 2006: To see if the Town of Temple, NH shall vote to adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the Town of Temple, NH on the second Tuesday of March. (3/5 vote needed)

Yes 273

No 287 Article Failed (needed 336 votes)

Article 4: Voted March 14, 2006: To cast your Ballots for the proposed amendment to the Temple Zoning Ordinance. (Submitted by Petition)

Yes 301

No 260 Article Passed

Article 5: To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand dollars (\$25,000.00) for the purpose of refurbishing the Fire Department Rescue Truck. (Selectmen recommend 2 to 1)

Article 5 moved as written by Richard Beringer, seconded by William S. Wildes.

Passed by voice vote

Article 6: To see if the Town will vote to raise and appropriate the sum of \$1,216,322.00 dollars for town charges as the operating budget and other necessary maintenance and operating expenditures.

Article 6 moved as written by Sherry Fiske, seconded by Tedd Petro.

Motion to waive reading of the budget by Thomas Baker, seconded by Raymond Lee.

Passed by voice vote

Amended by Sherry Fiske, seconded by Honey Hastings.

To Read: To see if the Town will vote to raise and appropriate the sum of \$1,241,522.00 dollars for town charges as the operating budget and other necessary maintenance and operating expenditures.

Passed by voice vote

Article 7: To hear the reports of agents, auditors and committees or officers heretofore chosen. No Reports Read.

Article 8: To see if the Town will vote to permanently protect the Chris Weston Conservation Area (reference Map 2 Lots 41, 41-1 and 41-2) by placing a conservation easement on the land. Such easement to be held by the Monadnock Conservancy (or other qualified non-profit land conservation organization) and would guarantee public access; other access (hunting, motor vehicles, etc.) would be under the control of the Selectmen. Any costs of the easement would be met through the Town's Conservation Fund subject to a public hearing and confirmation by the Selectmen. (Submitted by Petition)

Article 8 moved as written by Sherry Fiske, seconded by Tedd Petro.

Passed by voice vote

Article 9: To see if the Town, pursuant to RSA 79-A:25, will vote to place 50% of the revenues of all future payments of land use change tax collected pursuant to RSA 79-A into the Town's Conservation Fund previously created in accordance with RSA 36-A. (Submitted by Petition)

Article 9 moved as written by Sherry Fiske, seconded by Tedd Petro.

Passed by secret ballot, 112 For, 88 Against

Motion to Restrict Reconsideration of Article 9 by Honey Hastings, seconded by Beth Fox.

Passed by voice vote

Article 10: To see if the Town will vote to raise and appropriate the sum of Ten Thousand dollars (\$10,000.00) for the purpose of continuing the development of the new cemetery on Gen. Miller Highway. (Selectmen recommend 2 to 1)

Article 10 moved as written by Sherry Fiske, seconded by Tedd Petro.

Failed by voice vote

Article 11: Shall the Town of Temple change the method of selection of Zoning Board of Adjustment members from being appointed by the Board of Selectmen to being elected by adopting the provisions of RSA 673:3, II. Zoning Board of Adjustment members who are elected shall be elected for the term provided under RSA 673:5, II. The terms of appointed members of the Zoning Board of Adjustment in office on the effective date of an affirmative decision to elect such board members shall not be affected by the decision. However, when the term of each member expires, each new member shall be elected at the next regular municipal election by Official Ballot. (Submitted by Petition)

Article 11 moved as written by Sherry Fiske, seconded by Tedd Petro.

Failed by show of voter cards

Article 12: To see if the Town will vote to request the Board of Selectmen to bring to the town, by Warrant Article at an annual or special Town Meeting, any and all land Conservation Easements or Acquisition contracts that would require expenditure from the Town of Temple general fund or the Conservation Fund for approval of the Conservation Easement or Acquisition and expenditure of said funds by the voters of the Town of Temple. (It is understood by the undersigned voters that this warrant article would be advisory only as State of N.H. RSA's allow authorization by the Conservation Commission of expenditures of Conservation Funds with the approval of the local Governing Body). (Submitted by Petition)

Article 12 moved as written by Sherry Fiske, seconded by Tedd Petro.

Failed by voice vote

Article 13: To see if the Town will vote to raise and appropriate the sum of Twenty Thousand dollars (\$20,000.00) for the purpose of repair and renovation of the Municipal Building roof. (Selectmen recommend)

Article 13 moved as written by Sherry Fiske, seconded by Tedd Petro.

Failed by voice vote

Article 14: To see if the Town will vote to raise and appropriate the sum of Six Thousand Five Hundred dollars (\$6,500.00) for the purchase of bleachers for the ball field on NH RT 45. (Selectmen recommend)

Article 14 moved as written by Sherry Fiske, seconded by Tedd Petro.

Amended by Gary Nielsen, seconded by Connie Rinaldo.

To Read: To see if the Town will vote to raise and appropriate the sum of Six Thousand Five Hundred dollars (\$6,500.00) for the purchase of bleachers for the ball fields.

Passed by voice vote

Moved to adjourn meeting by Debra Harling, seconded by Benjamin Tirey.
Meeting adjourned at 1:40 p.m.
Passed by voice vote.
Submitted by Jeanne M. Whitcomb, Temple Deputy Town Clerk
